

Grandma

How did you know?

Grandma appears carrying a life jacket and is not surprised to see the raft.

Nicky asks "How did you know....?" But Grandma doesn't answer.

Imagine you are Grandma. Complete the thought bubble.

What do you think Grandma is thinking?

Why isn't she surprised to see the raft?

When and where might she have seen it before?

Do you think she had something to do with the animal pictures?

I remember when we first built the raft. I was so excited to use it...
