| Weather/ setting | What it suggests... |
|--|--|
| 0:03 Dark, misty, gloomy street with boarded up houses. | A lonely place, neglected, cold and unwelcoming. |
| 0:45 Brighter, daylight, birds chirping. | |
| 3:05 Dusky sunlight, gently rippling water, warm colours reflecting from the sun. | |

| 4:27 The ice on the lake glistens and sparkles as the trailer skates whilst the house watches it. | |
| 5:35 Particles of dust float around in the beams of sunlight that peep through. | |
| 6:18 Sunset in the distance, grey clouds move in, a tumbleweed rolls past, birds crowing above. | |
| 6:39 Strong wind picks up, it becomes dark, there is a huge wall of dust approaching. | |
| 6:59 A hurricane, thunder and lightning. | |
| 7:41 Dawn breaks, a beautiful coloured sky, gentle breeze, calm waters. | |
