

Persuasion Ideas

You need to ensure that Infinity Park gets lots of visitors. In this part of the leaflet you are going to persuade people to visit.

Here are some questions your leaflet should be able to answer:

1. Why should people go there? This is your chance to include a description of the desert setting that we started last Wednesday - just a sentence or two.
e.g Come a visit Infinity Park here in the beautiful Gobi Desert where the majestic sand dunes surround you!
2. What can they do when they get there?
3. What opportunities does it offer?
4. Anything else you think will encourage people.

Remember to be persuasive!
