

Year 1 Phonics Phase 5: week 3

Revisit and review

Review all sounds learnt so far using the sound flashcards given out from school/on the website

Teach

Introduce new sound through the ideas in the planning below: say the phoneme, perform the action.

Click on the video links in the planning.

Look for the **lesson** for the appropriate sound in "My Stuff" on Bug Club and work through the lesson.

Think of words that start with that sound or have that sound in them. Scribe words your child suggests with the sound at the start, middle or end (note that some sounds, such as 'ay' are never used at the beginning of words, just as others, such as 'ai' are never used at the end).

Practice

Reading words using the sound of the day (write the suggested words for your child to read)

Spelling words using the sound (using paper/chalks/shaving foam/bubble bath etc ask your child to write the words you say)

Consolidate

Complete the **worksheet** for that sound as independently as possible; play a phonics **game**.
