How to make a cup and ball

Supplies

- A paper cup
- A sharp pencil
- Sticky tack
- Sticky tape
- Scissors
- String

- Tinfoil
- Pens or crayons

1 First, decorate around the sides of the paper cup using pens or crayons. You may like to draw pictures or patterns or just colour the cup.

4 Next, tape one end of the string inside the cup with the rest of the string on the outside of the cup.

2 Next, ask an adult to help you make a hole in the bottom of the cup. Put the cup onto a ball of sticky tack and then push a pencil through the bottom of the cup and into the sticky tack.

5 After that, tape the other end of the string in the middle of a sheet of tinfoil.

3 Then, cut a length of string about 50cm long.

6 Next, scrunch the foil sheet around the end of the string to create a ball. (Making sure that the ball is small enough to fit inside the cup.) Now you can try to catch the ball in the cup by swinging and flicking the cup!
