

## Toy Designers: Part 1

Our work as toy-makers begins. Today we designed our own wooden spoon puppets, carefully considering which materials we could use to make our designs successful. We labelled the materials that we will need, ready for construction.

# My Wooden Spoon Puppet

After working hard to make our Wooden Spoon Puppets, we looked closely at our finished products and evaluated them to decide what we like best about them, and what we would change or improve.

Evaluation:

---

---

---

---

---

---

WALT: to build structures, exploring how they can be made stronger, stiffer and more stable;  
to explore and evaluate a range of existing products.
