

Practice Sheet Mild

Making division word problems

Write your own grouping word problem for the following arrays. Can you solve each one?
Record your answer as a grouping (division) fact.

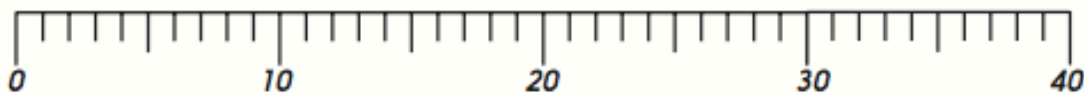

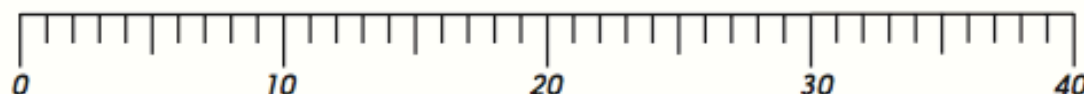

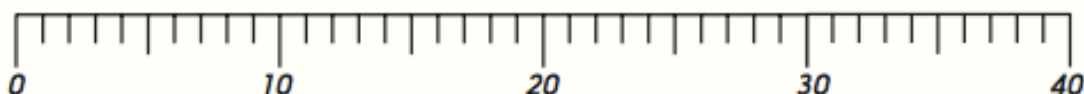

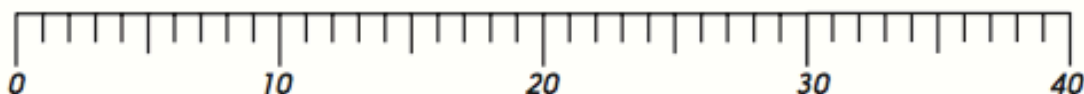

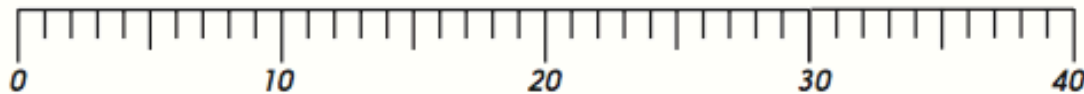

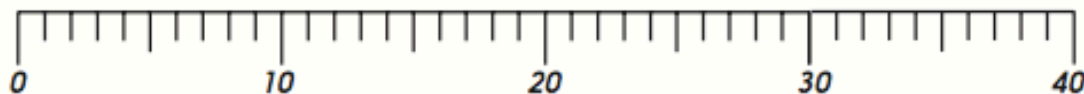

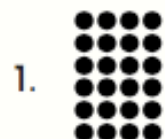

Practice Sheet Hot

Division word problems

Write your own grouping word problems for the following arrays. Can you solve each one?

Record your answer as a grouping (division) fact.

Practice Sheet Answers

For the arrays on all the Day 2 sheets children should have written a corresponding grouping word problem.

Making division word problems (Mild)

$$\text{e.g. } 12 \div 4 = 3$$

$$20 \div 5 = 4$$

$$18 \div 6 = 3$$

$$21 \div 3 = 7$$

$$24 \div 6 = 4$$

Division word problems (Hot)

$$\text{e.g. } 24 \div 4 = 6$$

$$35 \div 7 = 5$$

$$30 \div 6 = 5$$

$$24 \div 3 = 8$$

$$32 \div 8 = 4$$

$$27 \div 9 = 3$$
