# Wednesday - Reading

1. Read or listen to the text Chapter 8.
2. Write down any words that you are unsure of.

# **Rainforest Diary Comprehension**

On Friday, you are going to write a diary entry for Max, so today we are going to look at an example diary entry that has been written about the rainforest and answer some questions about it. This can all be completed online, so there is no need for printing or writing the answers out by hand.

A circular, stylized illustration of a rainforest landscape. The scene is framed by a decorative border with intricate patterns and a red circular element at the bottom. The central focus is a large, brown mountain peak. A winding river flows through the lush green forest, which is filled with various trees and plants. In the foreground, a small village with wooden houses and a red boat on the water is visible. The background features a starry sky with constellations.
