

# Inheritance

## My Family and Me

Using my experience, I can illustrate how inherited characteristics are passed from my parents to me.

Draw or stick in pictures to show characteristics you have inherited from your parents.

**Mothers Parents**

**Fathers Parents**

Things to consider...

**Mother**

- hair colour
- eye colour
- skin colour
- nose shape
- lip shape
- blood type
- baldness

**Father**

**Me**

**My observations...**

<p><b>List 5 ways you do NOT look like your mum or dad.</b></p>	
<p style="text-align: center;"><b>Mum</b></p> <ol style="list-style-type: none"> <li>1.</li> <li>2.</li> <li>3.</li> <li>4.</li> <li>5.</li> </ol>	<p style="text-align: center;"><b>Dad</b></p>
<p><b><u>List 5 of your own characteristics that you have NOT inherited off your mum and dad; suggest what factors may be responsible.</u></b>          (Some characteristics you have are not inherited. You have some characteristics that have developed over time because of the way you are raised by your family, the food that you eat, music you like to listen to. Describe some of your own characteristics that you think are not inherited, suggesting what factors may be responsible)</p>	<p><b><u>Where I developed my characteristics from.</u></b>          For example, from school or my friends, Scouts, watching television.</p>
