

## Evolution and Inheritance

As an introduction to our new science topic on Evolution and Inheritance, first watch the following BBC Bitesize clip, then take part in the following activity.

<https://www.bbc.co.uk/bitesize/topics/zvhhvcw/articles/zp9f4qt>

Now take a look at the following pictures that show abilities and features you can inherit from your parents or grandparents. Discuss with members of your family as to whether you have inherited some of these traits. If so which ones?

Feel free to share your findings on our zoom meeting.

## Inherited Characteristics Cards

Tongue rolling

Hair colour

Playing a musical instrument

Swimming

Eye Colour

Singing

Drawing

Dimples
