Adverbial Phrase

- An **adverbial phrase** is a group of words which function like an adverb.
- They tell you HOW, WHEN, WHY, WHERE or HOW MUCH an action has occurred.
- For example:

	Example
Adverb	Harry ran quickly .
Adverbial Phrase	Harry ran as fast as he could .

↑
'As fast as he could' is an **adverbial phrase** because it is a group of words which tell us **HOW** Harry ran.

Write a sentence for each **word**, including an **adverbial phrase** if possible. Here are my examples, use these to get you started if you need to, by replacing the rest of the sentence with your own ideas.

The **official** letter will arrive next week.

For many years, this has been a **special** tradition for the family.

Sue placed the vase of **artificial** flowers on the table.

Very unexpectedly, the building had suffered only **superficial** damage.
