

Game Changer Task I

Tutors at TPS are very important people in your school lives. They see you every day and help you by monitoring your progress, giving you vital school updates and checking you're OK.

Your challenge is to produce a Word document, PowerPoint presentation or video (it can be written and posted to TPS too!) introducing yourself to your TPS tutor. You can include the following information:

- Background information on you and your family
- Hobbies
- Favourite food
- Favourite colour
- Favourite subjects at school
- Your aspirations for the future
- What you are most looking forward to about coming to TPS
- Any other important information about you

Start your work by writing/saying/typing "Dear Tutor...."

Game changer extension task

Submit three of the challenges from the Getting ready to Go Big activities grid to classof2025@petersfieldschool.com
