

WB 20.4.20

We hope you all had a lovely Easter and are all fit and well! Please find the next batch of suggested activities and resources to work with your children on during school closures. We hope that you continue to enjoy spending time, with your child, learning and having fun. As mentioned before, we know that not all people have a printer, but if you do and would like further activities, differentiation or stretch then please look to Twinkl on <https://www.twinkl.co.uk/resources/parents/extra-subjectsparents/school-closures-category-free-resources-parents>. They have free logins for parents of children on school closures and plenty of activities on an easy to use platform. Please feel free to work on the activities that you wish and please adapt as you see fit. Don't forget to look at the other websites, listed on our class page, for ideas for other daily activities.

We miss your lovely, smiley faces!

CPD Books for Maths, English, Spelling, Grammar and Punctuation.

We know that you have made good progress with these and some have done more than others. Please continue working through these daily at you own pace.

Also, read daily and continue working on TTRockstars.

Feed the Family Challenge!

With a budget of £50, can you feed a family of 4?

Have a look on supermarket websites and see if you can make a shopping list covering 3 meals a day for 7 days with only £50 to spend - it's a tricky one!

Can you create a menu for each day and work out costings for each dish?

Could you write your own recipes including the price of each ingredient?

Can you make a meal for your family? Maybe create the whole restaurant experience for your family, including making and serving the food, writing a menu and setting the table!

You can present this however you like e.g. photographs, make menus, videos, recipe books etc. Or just enjoy feeding your family!

Literacy/Music/ICT.

Thank you, Baked Potato!

Matt Lucas has given us permission to use his song as part of your home learning. As you are probably aware, it has raised a lot of money for the NHS and is all over social media.

We would like you to join in!

You could learn the song and perform it creating your own moves!

Re write the song with our own lyrics.

Make a video of yourselves performing your song.

Make an animation to go with the song using Scratch or Flipaclip or maybe do a short stop motion animation.

We'd love to see them and we can send them to him!

Enjoy and we can't wait to see them!

Thank you, Baked Potato!

Make Major Tom Moore a birthday card, write him a message or draw him a picture.

Although Captain Tom's big family party was cancelled, the national hero will now be receiving special birthday wishes from all over the country.

The WW2 veteran will be celebrating his 100th birthday on 30th April. In the past week alone, he has raised millions of pounds for the NHS by setting himself a challenge of walking 100 lengths of his garden before the end of the month.

Over 250,000 people have supported Tom by donating, and now people want to personally thank him for his efforts. Lots of people have sent well wishes to Tom ahead of his big day. And now, you can do the same. **Please send it to the following address:**

Captain Tom Moore
C/O Post Office Limited
67 Bedford Road
Marston Moretaine
MK43 0LA
Bedfordshire, England

Also, can you investigate any other ways people are supporting their families, community or NHS in the local area. We're sure lots of us are clapping for the NHS at 8pm on Thursdays!

Science - Evolution and Inheritance

Each week we will be uploading a science session for you to complete. There is an overview of where our learning will be going on the Emeralds Class page.

Topic - World Earth Day

This week, as our Topic, we will be thinking about our Earth and taking care of it. Please see the PDF below which has guidance and hyperlinks to the resources. We hope you will enjoy investigating this and take part in some activities. Please send in some pictures of your work for us to put up on the website and see!!

Take care and looking forward to seeing you all soon! ☺
