

Telephone Support Line

**Open to education staff and parents/carers (term time only)
Tuesdays, Wednesdays and Thursdays: 9.30am - 11.00am**

Hampshire and Isle of Wight Educational Psychology (HIEP) offer a Telephone Support Line for education staff and parents/carers. The support line is:

- confidential
- provided by educational psychologists
- for parents and carers
- for staff in all settings

What to expect

When you call, a member of our friendly support team will take your details and then ask an educational psychologist to call you back.

Our psychologists are there to listen and to support with the issues that might be concerning you regarding the emotional wellbeing of a child or young person. Some people call us knowing what issues they need help with, whilst other people find it helpful to just talk through what is happening for a child or young person.
