Resources purchased to support ELSA.</p> <p>Support and training provided to staff by the Education Psychologist</p> <p>Attendance on residential boosts children's social and emotional well-being, improves confidence and raises aspirations.</p>	<p>ELSA is given time to support these children. Improved progress and attainment in mathematics at the end of each year	<p>1 to 1 and small group work provided by a teacher specifically to work with pupil premium children.</p> <p>Class teachers and support staff</p> <p>Specific learning resources purchased to support learning in this area.</p>	<p>Pre-teaching and consolidation of work done in class, boost these children's confidence and understanding of the subject.</p> <p>Attendance on education trips boosts children's social and emotional well-being, improves confidence and raises aspirations.</p> <p>Maths resources for problem solving and Timetables rock stars.</p>	<p>Quality first teaching by class teacher and pupil premium teacher both of whom know the teacher very well.</p> <p>High quality providers supported by staff members.</p> <p>Used daily to support learning.</p>	<p>Class teacher and Mrs Georgina Carrick</p> <p>Class teachers and support staff</p> <p>Miss Rebecca Moore, Maths Co-ordinator</p>	Termly reviews during pupil progress meetings.
Improved attendance for those children for whom this is an issue.	<p>Office staff make contact with parents when children do not attend. Meetings held with parents by headteacher to discuss absenteeism and to offer support both within the school and with outside agencies e.g. school nursing team.</p>	The school is doing everything they can, with the limited resources and options available.	<p>Regular attendance reports to the headteacher.</p> <p>Working with one particular pupil premium family whose child was a persistent absentee has resulted in improved attendance last academic year, with 100% attendance for the last term.</p>	Mrs Danielle Brown	Termly reviews.

<p>These strategies were in place to support children and to enable them to make good progress from their starting points.</p>	<p>A large proportion of pupil premium funding is spent on paying for teaching assistant salaries.</p> <p>Emotional Literacy Support Assistant (ELSA) and all of the training.</p> <p>Improving the quality of teaching through high quality Continuous Professional Development (CPD).</p> <p>Reading books for the school library have been purchased.</p> <p>Funds have been used to buy resources to support pupil premium children in their learning.</p> <p>Pupil premium funds are used to subsidise music tuition.</p> <p>Subsidising after school sports clubs in an effort to raise aspirations and confidence.</p> <p>Additional opportunities such as enrichment programmes for Gifted and Talented pupils.</p> <p>Pupil Premium funds are used to subsidise educational visits and residential visits for these children.</p>	<p>Pupil premium children make good progress.</p> <p>All pupil premium children who attended the 5 day residential programme to the Isle of Wight, benefitted from an increase in confidence and self-esteem.</p> <p>All children, who received pupil premium made good progress in all areas of school life.</p> <p>Emotional Literacy Support which was provided by our ELSA (Emotional Literacy Support Assistant) has enabled the vast majority of these children to achieve similar outcomes to their peers, who were not in receipt of these funds.</p>	<p>This approach worked well and will continue to use all the strategies that we used previously.</p>
