

Buriton Sports Newsletter

Welcome to the first Summer Term Sports Newsletter. We have had our first summer term competition and lots of individual sporting achievements to celebrate too!

Year 6 Girls' Football Tournament

This week, some of our year 6 girls competed in a football tournament at East Meon. There were 8 teams altogether and they won all of their games barring one... against the overall winners! They were amazing, worked extremely well as a team and came third overall, scoring 11 goals, which was the most scored overall. Well done girls! A special thanks to Miss Carpenter for managing the team.

Gymnastics

Rosie is in the Flex Gymnastics Club Squad where she trains 13 hours a week! On the 9th of March, she represented Flex at the 2024 Hampshire grades competition where she passed her Preparation 2 Grade and received a commendation. Well done Rosie, what a brilliant achievement and such great action photos!

Twirling

Lucia recently competed in the BBTSA National Championships where she represented Twirl Versity. She was in 2 events for the pre-beginner solo which she received a 'no drop' and an 'all catch' badge and came 6th in her 'poise'. What an amazing achievement Lucia, well done and good luck for the next challenge!

Football

Isla plays as a striker for Horndean Hawks Cardinals under 7 boys' football team, in the top league in Portsmouth. They won the Portsmouth Youth football League Victory cup in their first year, rating first out of 21 teams. During the cup run, they scored 21 goals and only conceded one throughout the whole competition. Isla scored and aided an assist in the Semi-final and a further assist in the Final. Isla trains three times a week and is the only girl playing in the Portsmouth Youth under 7 leagues. Wow, this is amazing – well done Isla! What an achievement and such an inspiration to other young girls!

Swimming Club

Havant and Waterlooville Swimming Club is a competitive community swimming club that enables all our swimmers to participate in and enjoy the sport of swimming. Whatever your ability, including para-swimmers, we will provide opportunities throughout the year for you to train and compete, both as an individual and as part of a successful swimming team.

This friendly formula has worked well since the club was founded in 1991 and with it has come great success. With national, regional and county champions numbered among our membership, our club continues to go from strength to strength. Those national champions also include masters and para-swimmers.

The club is friendly and welcome to all.
