

# Buriton Sports Newsletter

Welcome to the second Sports Newsletter. The weather has not stopped us keeping active. Even indoors, we have found ways to keep moving.

## Table Tennis

Some of our children in Emeralds class have set up a table tennis club that runs in an afternoon play for Sapphires, Pearls and Emeralds children. With a lovely new set of bats and nets, they have had great fun organising and playing mini matches. This week many of them went to TPS for an afternoon of games and mini matches against children from other schools. They had great fun and hopefully will be able to organise some of these activities for the children back at school.

## Football match against Steep

We hosted our first football match last term, with our team of year 5 and 6 playing against Steep Primary School's year 6 children. Battling against the mud, long grass and lack of light, they played extremely well. George, our captain, said, "We played well, we moved the ball around the pitch really well and we were better than them for the majority of the match!" Unfortunately we didn't win the match, but there's always next time...

## Playtime Club

Recently, some of our children in year 6 have been keen to set up clubs with small groups of children at lunchtime. This is one of the clubs, where they plan and set up a different activity each week on the playground, using a variety of sports and playtime equipment. They all seemed to be having great fun!

### Local Clubs: Football

Below are Miller's football pictures from his latest training day with Chelsea FC at the Chelsea Cobham Training Centre! He had an amazing time! Miller plays for Brighton FC, Portsmouth FC, Southampton FC and Chelsea FC, I'm not sure how he finds time for anything else... he must eat, sleep and dream about football! What a brilliant achievement!!

If you are part of a club, sports team, have a sports achievement to celebrate or have competed in a competition outside of school and would like to appear in the next newsletter, please let us know and send us a picture of you taking part. Also, if you have any recommendations for clubs or activities in the local area for the rest of the school, we would love to hear about those too.

Have fun and take care,

Mrs Holloway
