Dear Children who are still at home

I hope you are all well, staying safe and enjoying the home learning that your teachers have prepared for you on your class page on the school website.

It has been so interesting to see what you've been up to on the blog and once again I've been super impressed with some of the lovely things you have been sharing. In particular, I enjoyed seeing the cooking skills of Alex, Zach and Luca who were working on their pizza making skills. Claudia in Pearls shared her creative collage and shooting star whilst Amalie in Sapphires did a fantastic book review and some lovely work about ponds. Izzy in Diamonds shared a lovely idea of having an 'After Virus Wishes Jar'. Inside it Izzy wrote some things that she is really looking forward to doing, that she can't do at the moment. I think that's a lovely idea!

For those who have had a birthday since last week, we say a huge

to Jacob C who is 11 years old and Evie H. Special birthday wishes to you both!

So this week's set of new challenges are:

- *Can you make your own 'After Virus Wishes Jar'?*
- *Can you design a paper aeroplane and adapt it to make it fly as far as possible?*
- *Can you share something on the blog that may inspire others to have a go?*

I hope you all have a super week and that you stay safe and well and look after each other. I'll be in touch soon.

Love

Mrs Brown
