Dear Children in Diamonds, Sapphires, Pearls and Emeralds Classes

I hope you are all well, staying safe and carrying on with some learning at home? Last week, many of you joined in with Zoom meetings and it so nice to see your smiling faces and to listen to what you've been up to! We all miss you so much!

More and more of you are using the blog as a way of sharing what you have been doing, which has been so interesting. Last week Dexter shared some really interesting things about his Great Grandad as part of VE Day celebrations and several children in Diamonds Class shared super work about their lost caterpillar posters. Your caterpillars look so cute and I hope you find them! In Sapphires Class Poppy did some beautiful artwork of poppies! Whist several children shared their fantastic posters about saving the planet and it was great seeing photos of Archie's Scavenger Hunt! In Pearls Class Sofia took part in my challenge to find lots of words within the phrase 'Buriton is the place to be' and Andy shared his carpentry and painting skills as he helped his dad to build a shed. Holly in Emeralds made an awesome birthday cake for her brother and Bridie shared photos of her family's VE Day celebrations. Thank you so much for sharing with us, we've loved seeing what you've been up to.

For those who have had a birthday since last week, we say a huge

to Rufus, Amalie-Cariad and Leila. Special birthday wishes to the three of you!

So this week's set of new challenges are:

- *Can you write a play script involving your toys? Could they go on an adventure in the secret world in you play cupboard?*
- *Can you make something for your toys? it could be an item of clothing or something they could use like a house or a piece of furniture?*
- *Can you make a word search or a crossword puzzle for someone in your family to do? You could upload it to the blog for us all to try!*

I hope you all have a super week and that you stay safe and well and look after each other. I'll be in touch soon.

Love

Mrs Brown
