

Monday 11th May 2020

Dear Parents and Carers

Following yesterday's announcement from the Prime Minister about an Exit Strategy from this lockdown, in the coming weeks I will be sharing our plans to re-open for Years R, 1 and 6 from 1st June. These plans will be dependent on guidance from the government and Hampshire County Council.

I hope you and your families were able to enjoy some of the VE Day activities and celebrations at home. Those of you who live in Buriton, will no doubt have seen our school decked out with flags and poppies on the railings made by many of the children who live locally.

It has been really wonderful to see so many children during the weekly Zoom meetings and to see some of the lovely things they have been getting up to during this time. All staff have enjoyed looking at the blog and seeing the exciting things that the children have been sharing. I hope your child has enjoyed looking at it and will consider contributing to it if they haven't done so already.

Each week teachers continue to upload a range of well planned activities and resources ready for Monday morning to assist you with home learning with your child. This can be accessed through the school website under the 'Children' tab, then 'Class Pages' at <https://www.buriton.hants.sch.uk/class-pages/>

In the meantime, I hope you all have a good week and that you stay safe, well and take care of each other.

Best wishes

Danielle Brown
