Dear Children in Diamonds, Sapphires, Pearls and Emeralds Classes

I hope you are all well, staying safe and keeping busy. It has been really lovely to see that some of you have posted photos or written comments on our school blog, about what you've been up to. I particularly enjoyed seeing lots of the work that Izzy in Year 1 did on her Time Capsule and her birthday card to Captain Tom. Poppy in Year 3 did a super drawing of Peter Rabbit and several of you in Sapphires have made awesome mini-beast hotels. Sofia in Pearls has written some beautiful poetry last week and Jacob in Emeralds has been baking as has Zoe. I have also been looking at the brilliant photographs and videos you have sent in, Miss Green has kindly been putting them on to the school 'Gallery' page. It is wonderful to see all the learning activities you are doing.

If you have had a birthday in the last few weeks, I gave you a special mention in the short birthday video message I did for you and Captain Tom last week, ([Click here](#) to watch the message, if you missed it!). But since then we have a few more birthdays, so we say a huge

to Ellie W in Year 6 and Lexi in Year 5. We hope you had a lovely time!

As none of us can go outside very much, which can be tricky, it's important to find things to do that are fun, so I have set you a new set of challenges that you may enjoy doing:

- We've had quite a bit of rain in the last few days; can you make a poster about why the rain is important? How does it benefit humans, plants and animals?
- Have you learnt a new skill recently? Can you teach it to someone in your family or share it with us on the blog?
- How many words can you make out of the phrase:
'Buriton School is the place to be'

Each week, I will give you a few more challenges and I'd love to see photos of you doing some of these! I hope you all have a super week and that you stay safe and well and look after each other. I'll be in touch soon.

Love

Mrs Brown
