

27th April 2020

Dear Children in Diamonds, Sapphires, Pearls and Emeralds Classes

I hope you are all healthy and staying safe and getting on well with all the carefully prepared activities that your teachers have provided for you. I hope you enjoyed the photos of all the staff with a very special message to you all? We really do miss you a lot!

You can now write messages to your teachers and see what your friends have written on the class blogs. You can also share any work that you are really proud of so that others in your class can see what you've been up to! Your parents will be able to help you with this as you will need a password. When you write on the blog, remember to always be polite and respectful in your messages.

I know that some of you have been singing the assembly songs to your families, so I have added four more of our favourite songs, so that you don't forget them! They are; 'One Little Voice', 'We're Better Together', 'I Love to Sing' and 'Work Together'. I hope you enjoy teaching your families these new songs! [Click here for the songs](#)

So, because none of us can go outside very much, which can be tricky, it's important to find things to do that are fun, so I have set you a new set of challenges that you may enjoy doing:

- *Can you make a board game that other members of your family can play with you?*
- *We're so lucky that the sun has been shining so much and that the weather is warming up. So can you make a poster about keeping safe in the sun? Think about protecting your skin, wearing suitable / protective clothing, drinking enough water... I'm sure you can think of lots more ways to stay safe in the sun. *
- *Can you make a fantasy world out of a shoebox? You could have an underwater, a mythical land or space theme? *

Each week, I will give you a few more challenges and I'd love to see photos of you doing some of these which you can upload to the blog!

I hope you all have a super week and that you stay safe and well and look after each other. I'll be in touch soon.

Love

Mrs Brown
