

20th April 2020

Dear Children in Diamonds, Sapphires, Pearls and Emeralds Classes

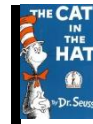

I hope you are all well and have enjoyed the Easter holiday with your family. I wonder if any of you still have any Easter eggs left?

Now that the Easter break is over, your teachers have once again put lots of exciting activities on your class page on the school website for you to continue your home learning.

All the teachers and staff at school are still missing you very much! One of the things I'm especially missing (apart from your smiley faces, of course) is your wonderful singing! So I have put some of our favourite songs on the website with the music and words, just like in our singing assemblies. I wonder if you can sing these songs to your family? I'm sure they'd love it! ([Click here for the songs](#)).

So, because none of us can go outside very much, which can be tricky, it's important to find things to do that are fun, so I have set you a new set of challenges that you may enjoy doing:

- *Design a new book cover for your favourite book.*
- *Can you design a 10 minute fitness routine that Joe Wicks would be proud of? Think of 10 different activities that you could do for 30 seconds, then have a rest for 30 seconds before doing the next 30 second activity. You could do skipping, jumping jacks, running on the spot, free style dancing...*
- *Can you make a giant rainbow  out of Lego or using junk modelling?*

Each week, I will give you a few more challenges and I'd love to see photos of you doing some of these! As I said to you before, now more than ever is the time to show your parents how good you are at listening to them and trying your best in your learning, and don't forget your good manners of course! I hope you all have a super week and that you stay safe and well and look after each other. I'll be in touch soon.

Love

Mrs Brown
