Dear Children in Diamonds, Sapphires, Pearls and Emeralds Classes

I hope you are all well and are enjoying some of the activities that your teachers have suggested you try on your class page on the school website.

All the teachers and staff are missing you all very much! You're the life of our school and it feels very strange without you! During this strange time it's really important that you try to be as helpful as possible and listen to your parents. Many of you will have parents who are to having to work from home and they will need you to be really sensible. I'm sure that you can all make your parents so proud of your behaviour and positive attitude during this time. So, because none of us can go outside very much, which can be tricky, it's important to find things to do that are fun, so I have set you a few challenges that you may enjoy doing:

- Do some junk modelling! Can you build something really tall? Can you build something strong enough to race toy cars over?
- Build a reading den. Find somewhere cosy, snuggle up and read your favourite book.
- Spend 2 minutes every day skipping. Can you do more skips in the time to improve your personal best or keep skipping for longer?
- Write a diary of the fun things you get up to each day. You may choose to make it into a comic strip.

Each week, I will give you a few more challenges and I'd love to see photos of you doing some of these! Now more than ever is the time to show your parents how good you are at listening to them and trying your best in your learning, and don't forget your good manners too!

I hope you all have a super week and that you stay safe and well and look after each other. I'll be in touch next week.

Love

Mrs Brown
