

23rd February 2026

Discovering the Wonders of Learning

Spring Term 2026 Newsletter 2

Dear Parents and Carers,

Welcome back from Half Term!

As you know, this week we are celebrating our own Book Week with many reading related activities in every class and each class has special activities planned for each day. Here's a reminder of everything we have planned:

Today

We launched book week by introducing the children to our chosen whole school picture book, and completed lots of book related activities during the day. This book will be used throughout the week.

Tuesday 24th February – **Hot Chocolate for the Juniors**

Children in Pearls and Emeralds will enjoy story time before the end of the day with hot chocolate. **They are also invited to bring in a small cuddly toy.**

Wednesday 25th February – **Book Café from 2pm-3pm**

We will be holding our own 'in class' Book Café event. **We would like to invite you to join your child/children in school from 2pm – 3pm** looking at a range of books and spending time reading with your child in a café style environment (unfortunately there will be no drinks or snacks). If you are unable to attend, close family members are always welcome.

Thursday 26th February – **Book Swap and hot chocolate for the Infants**

We will be hosting a book swap from 9.30am. **Your child can bring in up to 3 books from home** that they no longer read and would like to swap. Each book will be exchanged for a token which they can then use to 'buy' lovely new books to help them celebrate the love of reading!

Children in Sapphires and Diamonds will enjoy story time before the end of the day with hot chocolate. **They are also invited to bring in a small cuddly toy.**

Friday 27th February – **A real storyteller**

This will be storyteller day. We have booked the storyteller Kevin Graal to spend the day giving each class a Storyteller session via zoom. I am sure this will be an exciting experience for our children and I know they will get lots out of it.

World Book Day 5th March

We will be celebrating this day by giving the children a choice of coming to school in **EITHER** their PJs **OR** dressed up as their favourite book character on this day.

Parents' Evenings on 10th and 12th March

This term you will have the opportunity to meet with your child's class teacher during Parents' Evenings. Parents of children in Emeralds Class will have Parents' Evening on **Tuesday 10th March only**. All other classes will have Parents' Evenings on either **Tuesday 10th March** or on **Thursday 12th March**. A letter containing details of times and reply slips will be sent out today.

Updated contact details

Please let the office staff know by email if your address or phone / emergency contact numbers have changed so that we can keep our records up-to-date.

Online Safety Newsletter for February

Please find attached this month's online safety newsletter which includes information for parents about the use of AI to alter images and information about Tik Tok.

Thank you for your continued support

Yours sincerely

Danielle Brown
